Evaluation

Evaluation of the PEI Healthy Eating Alliance's School Healthy Eating Toolkit

The School Healthy Eating Toolkit was developed through the help of many partners, which are listed at the front of the Toolkit. We are very interested in hearing your opinions on the Toolkit so that we can make sure it meets the needs of schools.

Once you have had a chance to review the toolkit, ***please complete the attached Toolkit Evaluation Form and fax to the attention of Sherry O'Keefe at 902-368-4548.***

We will be conducting a separate evaluation later to find out how useful the Toolkit is in helping you to promote healthy eating in your school.
